

## Where We Fly To: Summer 2020 Air Services to & from Jersey Airport

- Denotes a direct air service from Jersey

The Covid:19 pandemic has severely impacted the proposed air services to/from Jersey Airport in summer 2020. Although the Island's borders have now reopened to allow commercial air services to resume, some airlines have reduced its Jersey programme for the remainder of the summer or cancelled services altogether. As follows is a revised schedule for air services leading up to October 2020. While every attempt has been made on the part of Ports of Jersey to ensure accuracy of the information provided, we accept no responsibility for any subsequent changes and would advise that for timings, rates and reservations you contact the airline directly, either via its website or dedicated customer services telephone number.
